

Lanna Care: who does what

For the Director. Each line is one job the system can do. Tick the roles that should be able to do it. A role can have as many ticks as you like, and a job can be ticked for more than one role. The system will look after anything a job needs behind the scenes, so only think about who should be responsible.

#	Activity	Director	ZIC / Manager	Head of Maintenance	Head of Medical	Volunteers	Vets
Residents							
1	View residents and their records	☒	☒	☐	☐	☐	☐
2	Edit a resident's details	☒	☒	☐	☐	☐	☐
